

OSEA 2022

OSEA 2022 welcomed close to 12,000 attendees over 3 days, from 15 - 17 November at the Marina Bay Sands Expo and Convention Centre, Singapore. OSEA showcased the latest technologies and solutions across 8 national pavilions and thematic zones. Supported by a high level steering committee, top offshore energy leaders also gathered and networked over 3 conference tracks and 4 exclusive executive networking sessions.

OSEA being the biggest exhibition in the region, is a very good platform for exhibitors to participate in because there will be a lot of customers around this region will come in to visit this exhibition."

**Anthony Goh - Vice President of Sales
Leeden NOX**

OSEA has quite a good balance of local and international participants. We just had a networking session and all the participants are either operators, contractors or suppliers and they brought different perspectives and we really enjoyed the networking sessions."
